

Leaf Chain Enquiry Form

Name: _____

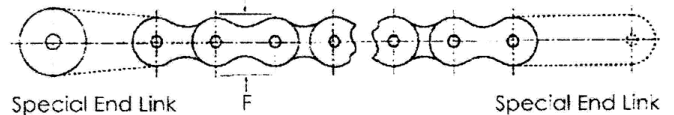

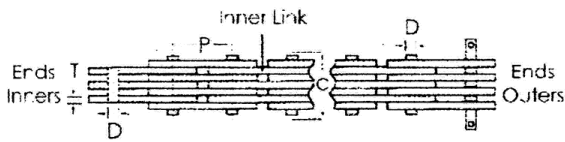

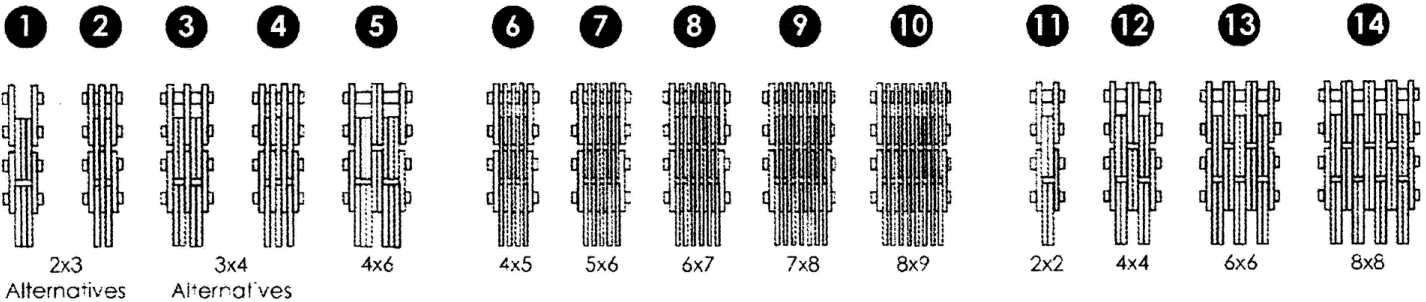

Tel: _____ Fax: _____

Address: _____

Postcode: _____

Order / enquiry no: _____

Quantity	Reference	Pitch	Combination	Length / Pitches	Endings

IMPORTANT

IF, WHEN ORDERING, THE STANDARD OR MANUFACTURER'S REFERENCE IS NOT KNOWN, THE FOLLOWING INFORMATION WILL ASSIST IN ENSURING CORRECT CHAIN IDENTIFICATION

Link marking / numbers:

Rivetpin length (C):

Pitch measured on the outerlink (P):

Plate thickness (T):

Link lacing numbers (see examples):

Plate height (F):

Rivet pin diameter in mm (D):

Chain length in outer plates:

Other info (ie. make / model truck):

Chain endings inner / outer: Both:

Notes:

1. All dimensions should preferably be checked with a micrometer or vernier calipers
2. Some special end links employ anchor pin diameters different to rivet pin diameters
3. Our technical department will be pleased to discuss any special chain requirements
